The Honorable Alexander Wiley  
 United States Senate  
 Washington 25, D. C.

Dear Senator Wiley:

This is in further reference to your recent forwarding to me of correspondence you received from [redacted] together with its attachments, which are returned to you herewith as you requested.

A review of the information and proposals submitted in this correspondence would indicate that before any further consideration could be given it by this Agency, it would be necessary to go far beyond the generalities disclosed in the proposals. If a more detailed outline of the project were made available, it might reveal possibilities of a more specialized character, but in its present state it offers little that could be utilized.

STAT  
 In replying to [redacted] it would be appreciated if you indicated that the matter had been referred to "appropriate agencies of the Government", without specifically involving CIA.

Sincerely yours,

SOMER

Allen W. Dulles  
 Director
